ST PATRICK'S Day on March 17 is usually dominated by green flags, shamrocks and people claiming a wee bit of Irish heritage. But one bakery in Marrickville has taken the theme a bit futher creating green food for St Patrick's day. (Pictured left) Nenna Metuanga-ro from Bob & Petes 100% Yum, enjoyed one of the bakery's fun green donuts. ((Above) While over at the Harp Inn in Tempe up to 400 patrons celebrated St Patrick's Day at the famous Irish hotel. Licensee Jason Conroy said the atmosphere is always excellent. "We have Irish and Aussies mixing together and just having a good time," Mr Conroy said.
